

Council

November 10, 2020

Austin City Hall

6pm

Roger Hawkins, Jimmy Turner, Joe Smith, DeWayne White and Brandon Stagnolia were all present. Dylan Baker joined via Zoom.

Minutes: Joe made a motion to approve the minutes from October 13, 2020, seconded by Brandon. Motion passed 5 – 0.

Claims: Jimmy made a motion to approve the claims from October 14, 2020 through November 10, 2020, seconded by DeWayne. Motion passed 5 – 0.

Old Business: Katelyn Schafer with The Reedy Group, joined the meeting via Zoom to go over the final sewer rate study information. Katelyn went over the numbers that made up the rate study. Ryan McGinnis, PepsiCo, thanked the council for keeping Pepsi in the loop with the Rate Study. Dave Eberenz, city engineer, talked about all the cost associated with the operation cost of the sewer plant. Brandon asked Dave which way we they should go and Dave recommended the cost of service option. Mayor Hawkins then asked Katelyn her opinion and she stated that she agreed with Dave that the cost of service option was the best option for the city. Roger asked for an update for the new audio for the council chambers. Joe said they are waiting delivery. Joe asked about what Morgan’s flow meter was showing. Chris stated that it appears that they are using around 71,00 gallons a day, which is a large increase to their current billing numbers.

New Business: Jamie Toppe, Scott County Community Foundation, spoke to the council about the Community Needs Assessment study that was done.

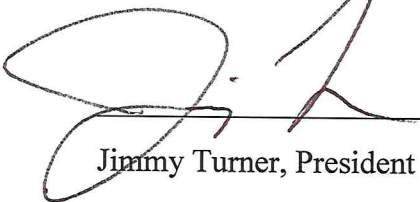

Brandon made a motion to adjourn at 7:39, seconded by DeWayne. Motion passed 5 – 0.
