The City of Austin will be hosting the 2nd annual "**Fright Night**" trick or treat in downtown Austin.

Last year we had tremendous success with over 2000 in attendance! It was very humbling and great to see all the kids and adults out enjoying the night. We anticipate this year to be as successful as last year but we cannot do it without your help.

We are looking for businesses to host for this event. We are asking that each business decorate their booth/area and give out candy to our Trick or Treaters.

This is a FREE event; we are prohibiting the sale of any products during the event.

Event will be on **Friday Oct 27 6-9 pm ** (Rainout date is set for Saturday Oct 28 6 – 9 pm)**

We do have limited spots for electricity. We will try to accommodate all hosts to spots accordingly if electricity will be needed. Generators can be used as well.

We are excited and look forward to provide this event for our City.

If you are interested in being a host, please fill out the application and return to the City Hall Clerk office:
