HOW TO USE GUIDE

A BETTER CONTAINER FOR AN EASIER, HEALTHIER WAY TO COLLECT HOUSEHOLD SOLID WASTE

Your new toter has arrived! Utilizing rollout toters for curbside collections is a great way to keep the City of Austin cleaner and safer and makes collections easier for everyone. Please do your part and place your bagged and tied household garbage in this toter. Contents from toters are collected curbside once per week on your designated collections day.

UNIQUE TO THIS ADDRESS

This toter should not be altered or defaced in any way. The toter has been uniquely paired with this address for customer care purposes. You are never to remove the toter from this address. If you move, simply leave the toter for the next resident or homeowner.

**WRITE YOUR TOTER NUMBER HERE
FOR FUTURE REFERENCE:**

A GUIDE TO USING YOUR NEW TOTER

Your new toter has two wheels and rolls freely. To maneuver, simply grasp the toter handles and tilt the toter toward you and push or pull gently. The toter will roll easily even over curbs, sand, or snow. If the toter is damaged through normal wear and tear, call 812-794-2877 to report the damage.

CLEANING YOUR NEW TOTER

Toters have a smooth interior surface for easy cleaning. Wash toter periodically using water and a dishwashing liquid.

STORING THE NEW CONTAINER

The new toter may be stored outdoors or inside a garage. Specific City of Austin ordinances and/or HOA regulations may have certain guidelines on where to store the container when not in use on collection day.
