While waiting for Ishmael White to show up Mayor Hawkins updated the council on progress on a few projects including The Dunkin Store, the new pole lights, a ribbon cutting for Broadway Park which is on September 25 at 10 am, and also the Fireman's Festival which will be held September 26th & 27th.

Ishmael showed the council a brief video introducing exercise equipment that he has been looking into that he would like installed at Broadway Park. It would be a 50/50 match grant that would take place in 2026. He was just wanting the council's opinion on if they thought it would be beneficial to the community. He has already spoken to ARC, The Community Foundation, and the Trustee. He would need a commitment of approximately 30,000.00 to initiate the grant. Council was in favor of the idea, but wasn't sure where the funding would come from.

Motion to adjourn made by Staci Mullins at 5:35pm. Second Mike Hurt. Motion Carried 3-0.
